The Tropical Agriculturist:

JOURNAL OF THE
CEYLON AGRICULTURAL SOCIETY.

.....

Founded 1881

Vol. LII.

.....

Containing Numbers I to VI
January to June, 1919.

B.13

INDEX.

A

Action of Magnesium Carbonate on Plants, Injurious 45
Agricultural Education 57
Agricultural Education, Material for a Policy of 148
Agricultural Experiments Committee, Meetings of ... 65, 213, 318
Agricultural Show ; Heneratgoda .. 262
Agricultural Society, Ceylon, Minutes of Meeting of 81
Agricultural Society, Ceylon, Progress Report No. LXXVI 75
Agriculture and Horticulture, the Use of Lime in 35
Ammonia Formation in Soil, Effect of Different Salts on 227
Ammonium Nitrate as a Fertiliser... 271
Animal Disease Return, December, 1918 62
" " " January, 1919 118
" " " February, 1919 182
" " " March, 1919 238
" " " April, 1919 302
" " " May, 1919 366
Anuradhapura Experiment Station, Progress Reports ... 74, 220, 325
Apiculture in Egypt 230
Artichoke, Jerusalem, A Neglected Source of Food 127
Assam, Work on Rice in ... 260

B

Bacteria, Influence of Nitrates on Nitrogen-Assimilating ... 44
Bamboo, The Solid 59
Bananas as a Diluent for Wheat Flour 138
Batticaloa, Minutes of Food Production Committee ... 241, 327
Bean as a Cover Crop, Sarawak ... 56
Beans, Experiment with Soya ... 198
Beekeepers' Association, Ceylon ... 230
Beekeeping in British Guiana ... 162
Beekeeping Notes ... 114, 231
Beetle Control, A Possible Factor in Coconut... 57
Best Indian Milking Breeds ... 49
Blasting Sub soil 270
Board of Agriculture and How its Functions might be better Organised 98
Botanic Gardens, Ceylon ... 360
Breeding Birds, Points in Selection and Management of 279
Brown Bast 333

C

Cacao Manurial Experiments at Peradeniya 326
Capsicums or Chillies 121
Carbohydrate Manuring and the Rubbish Heap 263
Carbonate on Plants, Injurious Action of Magnesium 45
Carrot Cultivation in Ceylon ... 196

C—(*Contd.*)

C.A.S. Minutes of Meeting of ... 81
C.A.S. Progress Report ... 75
Castor Oil 177
Cereal Reserves, Conservation of our 363
Ceylon Beekeepers' Association ... 230
" Botanic Gardens .. 360
" , School Garden Work in ... 362
Chaya Root, Dyeing with as Practised in the Northern Province ... 209
Chicken-pox in Poultry ... 283
Chilaw Coconut Experiment Plots, Statement of Return from ... 256
Chilli Cultivation in Trincomalee ... 196
Chillies, Capsicums or 121
Citrus Culture, a Few Notes on .. 131
Clarification of Water in Large Dams 181
Clove Industry of Zanzibar ... 181
Coconut Beetle Control, A Possible Factor in 57
Coconut Experiments, Pitiyakanda ... 258
" Oil Industry, A Preliminary Study of the Philippine ... 57
Coconut Oil, The Study of Copra and 54
Coffee in Uganda 272
Commercial Onion Growing in Indiana 197
Committee of Agricultural Experiments, Minutes of Meeting 65, 213, 318
Committees, Food Production 63, 239
Composition of the Soil... ... 349
Conservation of our Cereal Reserves 363
Conservation of Soil Moisture ... 119
Co operative Credit Societies in Wellassa 286
Co-operative Credit Society, Weligam Korale 287
Co operative Societies in India, Progress of 53
Co-operative Societies in Mysore in 1916-17 52
Copra and Coconut Oil, The Study of 54
Corn for the Philippines ... 7
Cover Crop, Sarawak Bean as a ... 56
Crop Production, Value of Nitrate of Soda in 225
Cultivation of Maize 312
" of Onions 106
Cultivation of Onions in Lakshmisagara, Mysore District ... 129
Cultivation of Paddy in Ceylon from an Economic Standpoint ... 82

D

Diesel Engine, The 56
Disease Return Dec., 1918, Animal... 62
" " January, 1919... 118
" " February, 1919... 182
" " March, 1919... 238
" " April, 1919... 302
" " May, 1919... 366
Diseases of Rubber Plantations ... 339
Dry-Farming in Italy, New Experiment in 290
Drying of Fruits and Vegetables, Home 4

INDEX.—*Contd.*

D—(*Contd.*)

Duck Rearing and Paddy Cultivation 58
Dung Heaps and the Preservation of Farmyard Manure 144
Dutch East Indies, the Production of Plant Essence in the ... 365
Dutch East Indies, the Production of Tapioca in the 317
Dyeing with Chaya Root as Practised in the Northern Province ... 209

E

Effect of Different Salts on Ammonia Formation in Soil 227
Effect of Sulphur on Different Crops and Soils 46
Egypt, Poultry Farming ... 285
Egyptian Sugar Industry ... 288
Entomologist, Quarterly Report of the 276
Eradication of Weeds by Sprays and Manures 352
Estate Rubber Tapping Experiments 190
Experiments at Peradeniya, Cacao Manurial 326
Experiment Plots, Statement of Returns from Chilaw Coconuts ... 256
Experiment Station, Anuradhapura, Progress Report of the 74, 220, 325
Experiment Station, Peradeniya, Progress Report of the 70, 217, 322
Experiments with Paddy in Travancore 206

F

Factor in Coconut Beetle Control, A Possible 57
Factors affecting Toxicity of Alkali 271
Feeding of Dairy Cows 228
Feeding Stuffs 49
Fertiliser, Ammonium Nitrate as a .. 271
„ The Theory of ... 351
Few Notes on Citrus Culture ... 131
Flour, Plantain 310
Food Crops in the Kandy District ... 195
„ Maize as a 183
„ Production 1
„ „ Committees 63, 239
Food Production Committee, Batticaloa, Minutes of Meeting of 241, 327
Food Production Committee, Matale, Minutes of Meeting of 251, 326
Food Production Committee, Hambantota, Minutes of Meeting of ... 249
Food Production Committee, Jaffna, Minutes of Meeting of ... 253
Food Production Committee, Kandy, Minutes of Meeting of ... 241
Food Production Committee, Kegalle, Minutes of Meeting of ... 252
Food Production Committee, Kurunegala, Minutes of Meeting of ... 243
Food Production Committee, Matara, Minutes of Meeting of.. ... 247
Food Production Committee, Trincomalee, Minutes of Meeting of 244, 246
Food Production Committee, Uva, Minutes of Meeting of... ... 244
Food Production in Peace ... 292

F—(*Contd.*)

Foodstuffs, Production of ... 10
„ , The Importance of Greater Local Production ... 306
Food Supplies, Production and Distribution of 90
„ Supply in the Near Future, Suggestions for securing a larger 94
Four Varieties of Gourds ... 3
Fowl Tick, The 109
Fruits and Vegetables, Home Drying of 4
Fungus Diseases, Notes on the General Treatment of 343

G

General Treatment of Fungus Diseases, Notes on 343
Germinating Seed Paddy ... 130
Ginger Cultivation in Kandy District 105
Gootee-Layering at School Gardens 138
Gourds, The Four Varieties of ... 3
Government Tractor Cultivation in England and Wales 164
Governor at Peradeniya... ... 115
Grafting the Grape Vine ... 135
Grape Fruit 47
Grape Vine, Grafting the ... 135
Green Manures and Shade Trees, Notes on Insect Pests of 278
Green Manuring 43

H

Hambantota, Minutes of Food Production Committee 249
Harasbedde Demonstration Garden, Report on the Eighteen Varieties of Soy Beans grown on ... 275
Henaratgoda, Agricultural Show ... 262
Hive? How Large a 162
Home Drying of Fruits and Vegetables 4
Horticulture, The Use of Lime in Agriculture and 35
How Functions of The Board of Agriculture might be better Organised 98
How to Increase the Output of Paddy 101

I

Importance of Greater Local Production of Foodstuffs 306
Increased Yields as the Result of Swelling Seeds in Water ... 293
Indigo 212
Influence of Different Bulky Fodders on Milk Yields . 48
„ Nitrates on Nitrogen Assimilating-Bacteria 44
Injurious Action of Magnesium Carbonate on Plants 45
Insect Pests of Green Manures and Shade Trees, Notes on ... 278
Instructions for the Control of Rice Worms (*Prodenia Litura Fabr.—Spodoptera Mauritia Boisd*) .. 347
Italy, New Experiment in Dry Farming in 290

INDEX.—*Contd.*

J

Jaffna, Minutes of Food Production Committee 253
Jak (*Artocarpus integrifolia*) as a Food Crop... 126
Jerusalem Artichoke, A neglected source of Food 127

K

Kandy, Minutes of Food Production Committee... 241
Katugastota, Paddy Transplanting at 274
Kegalle, Minutes of Food Production Committee... 252
Kurunegala, Minutes of Food Production Committee 243
